

JA Finance Park Volunteer Information

Follow-Up Letter

Dear Volunteer Facilitator:

We want to thank you wholeheartedly for donating your valuable time to attend training and serve as a facilitator at Lafayette JA Finance Park. Volunteer facilitators play a crucial role in this program. Without your help this visit would not have been possible.

As you witnessed firsthand, classroom lessons about personal financial literacy and career awareness were put into action during this exciting hands-on opportunity. We believe this experience will positively influence these students for years to come. Your participation was an integral part of the learning process, and once again, we thank you for your assistance.

Sincerely,

(Teacher's Signature)
